I Timothy 6:6 (KJV)

```
D                     G                         D A
But godliness with contentment is great gain.
     D                G                         D A D
But godliness with contentment is great gain.

                 G         D                A
As I become more godly, my desires start to change
    D               G         D      A    D
My values and my priorities begin to rearrange
                      G           D               A
I become content with less, it's a challenge for my brain
D                     G       D       A        D
First Timothy 6, verse 6 - contentment is great gain

D                     G                         D A
But godliness with contentment is great gain.
     D                G                         D A D
But godliness with contentment is great gain.
D                     G                         D A
But godliness with contentment is great gain.
     D                G                         D A D    G   DAD
But godliness with contentment is great gain.
