

Mark 7:6-7 (KJV)

This people honors Me with their lips,
but their heart is far from Me
Howbeit in vain they worship Me,
teaching for doctrines the commandments of men

You are wasting your life - you are worshiping in vain
When you take on man's philosophies - and tack on Jesus name
But the worst consequence is - you'll miss out on heaven
Where is your heart - Mark 7, 6 and 7

This people honors Me with their lips,
but their heart is far from Me
Howbeit in vain they worship Me,
teaching for doctrines the commandments of men
