

Proverbs 14:20-21 (TLB)

C                    G                    F G                    C  
Even his own neighbors despise the poor man  
C                    G                    F G                    C  
Even his own neighbors despise the poor man  
F                    C  
While the rich have many quote unquote Friends  
G                    C  
While the rich have many quote unquote Friends  
F                    C  
While the rich have many quote unquote Friends  
G                    C  
Blessed are those who help them  
F                    C  
To despise the poor is sin  
G                    C  
To despise the poor is sin  
F                    C  
To despise the poor is sin  
G                    C  
Blessed are those who help them

C                    F  
Why are these people poor - that's my first question

C                    G  
Proverbs 14 - 20 and 21

C                    F  
Money's not always the answer - It might help or it might hurt them  
C                    G                    C  
God will tell me who to help, why what, where and when

C                    G                    F G                    C  
Even his own neighbors despise the poor man  
C                    G                    F G                    C  
Even his own neighbors despise the poor man
